It is a rigorous process of self-reflection that thoroughly reviews the program operations, teaching and its impact on students.

认证是一个严格的自我反思过程，对项目运行、教学和学生成果进行全面检查。

It includes an external validation conducted by trained visitors.

认证由经过培训的评审员进行外部认可。

It culminates with a Program Development Plan that ensures continuous improvement consistent with the skills identified as 21st Century Learning Skills and best international teaching and learning practices.

认证的核心在于制定《项目发展计划》，确保项目按照21世纪学习技能和国际最佳教学实践的标准持续发展。
